

# I LAY IT DOWN

JOSH YOUNG

Am F C G  
I lay it down, all that's in my heart  
Am F C G  
I lay it down, I place it at Your feet  
Am F C G  
For You alone, have everything I need

Am F C G  
I lay it down  
F C G F C G  
I want more of You, I need more of You

Am F C G  
I lay it down, my need to understand  
Am F C G  
For I believe, that You have a perfect plan  
Am F C G  
Yes I believe, that You alone are God

Am F C G  
I lay it down  
F C G F C G  
I want more of You, I need more of You

Am F C G  
So I come to You with arms open wide  
Am F C G  
Give my heart to You only You can satisfy  
Am F C G  
Let Your fire burn to the depths of my soul  
Am F C G  
Take me deeper Lord I want to lose control  
F C G  
I want more of You
