

# MAKE YOUR HOME IN ME

JOSH YOUNG

B  
Beauty from ashes, from an orphan to a son  
G#m E  
You have redeemed this, and my heart can love again  
B F#

I can love again

B  
Blessing was passed down, from a Father to a son  
G#m D  
Burden was lifted, in You I will remain  
B F#

I will remain

B G#m E F#  
So I come, I bow, I fall, before You now  
B G#m E  
Take me, take it all, You have made for me a home  
B

Now make Your home in me

B  
I dance upon the memories, of the shame that I once knew  
G#m E  
These broken pieces, are my offering to You  
B F#

My offering to You

B  
Your love is a lighthouse, and I found my way home  
G#m E  
Oceans behind me, now the joy of loving You  
B F#

The joy of loving You
